

An Overview 2022-25

Roller skating has been a sport in Bihar for many years, but the promotion of this sport has not been as expected. With the efforts of a few people, this game progressed to some extent but did not reach the point where it should have reached. RSFI was always in touch with some parents and coaches of Bihar, due to which the sport started making its mark in the last 4-5 years. Despite the lack of resources in Bihar, some parents and coaches under the guidance of RSFI have teamed up to conduct national roller skating trials in Bihar and Championships have been organized. Seeing the difficulties in organizing this game and the inconvenience caused to the children and the dissatisfaction between the parents and the coaches, the need was felt to form an organization. RSFI established BSA (Bihar Skate Association) by contacting.

We were all the same parents whose children were also involved in this game and even before we became this association, we used to help in some way or the other in organizing all the important events that were held.

Events before the association is registered

1. **Bihar Trial 2019 & 2020 (Patna)**
2. **Bihar Trial (Muzaffarpur)**
3. **Medals and certificates distributed at the hands of Hon'ble**
4. **First Ranking Competition (Muzaffarpur)**

Scenario after the association is registered and recognized by RSFI:

Thousands of children and parents and coaches of Bihar were filled with joy when they came to know that BSA is now a registered body and it has also been recognized by RSFI. BSA shared this achievement among everyone and expressed its happiness and that of children by taking out a huge rally on the streets of Patna on the eve of 15th August. All the dailies and private channels of Patna covered this rally. For the first time, Patnaites saw a rally on skate and started taking interest in this sport.

Our Efforts :

1. **Mutual harmony among skate coaches**
2. **Certificate Distribution Program of 1st Bihar State Ranking Championship 2022**
3. **1st Bihar State Skate Championship 2022**
4. **Bihar State Skate Team Photography 2022**

Bihar Trial 2019 (Patna) -

We used to organize Bihar trials together with some parents and coaches at Eco Park in Patna, the capital of Bihar. In which apart from Patna, children from Muzaffarpur and some other districts used to participate and represented Bihar in the National Skating Competition. Children from Bihar continued to participate in the 55th National Roller Skating Championship, but our numbers were very low and the performance was also not satisfactory .

Bihar Trial 2020 (Patna) -

We used to organize Bihar trials together with some parents and coaches at Eco Park in Patna, the capital of Bihar. In which apart from Patna, children from Muzaffarpur and some other districts used to participate and represented Bihar in the National Skating Competition. Children from Bihar continued to participate in the 55th National Roller Skating Championship, but our numbers were very low and the performance was also not satisfactory.

Bihar Trial 2021 (Muzaffarpur)---

It was the effort of our team that to give a grand look to the Bihar trial, we organized it for the first time in an indoor stadium outside Patna . More than 100 children participated in the event and the event was highly appreciated. With the efforts of our members, we have persuaded some sponsors and parents whose contribution made the event possible.

Medal and certificate distribution at the hands of Hon'ble – The result of our collective efforts was that for the first time we had participated in the National Games and State Trial Competition, the children of Bihar, who had come to the National Games and participated in the State Trial Competition, were given the help of **Hon'ble MP and former Deputy CM Shri Sushil Modi and Hon'ble MP Shri Ram Kripal Yadav hands honored** . The successful result was that a sense of confidence was created among the coaches and parents here and they supported us and asked us to move forward.

First Ranking Competition (Muzaffarpur) – Once again in this event held in Muzaffarpur, the children of Bihar participated in a big way and for the first time we children of Bihar also participated in other disciplines of this game. The sponsors, local administration and management were of great support during the two-day event and the event set a high standard and reinforced our belief. We made arrangements for lodging, food and transportation of needy children here so that more and more children can participate in these games.

Scenario after the association is registered and recognized by RSFI:

Thousands of children and parents and coaches of Bihar were filled with joy when they came to know that BSA is now a registered body and it has also been recognized by RSFI. BSA shared this achievement among everyone and expressed its happiness and that of children by taking out a huge rally on the streets of Patna on the eve of 15th August. All the dailies and private channels of Patna covered this rally. For the first time, Patnaites saw a rally on skate and started taking interest in this sport.

Our Efforts :

Mutual harmony among skate coaches and coordination

BSA felt that the coach has a very important role to play in furthering this game. They are the ones who bring children into the game and it is due to their efforts that the children take interest in it. We found in our study that there are many coaches in Patna and surrounding areas, but due to lack of cohesion among them, they are not working like a team among themselves and they are also working in different directions and they have been facing moral and financial exploitation.

We thought of bringing all these coaches on one platform with our efforts. For this, our team met them personally and started the conversation by making them all sit on a table. Our efforts started showing color and everyone started syncing. We started taking all the coaches into confidence and encouraged some of them to join the coach training program which was organized in Delhi. We sent a financially weak coach to join with our financial help. The phenomenal result of these efforts was seen in the 1st Bihar State Skate Championship 2023.

Visiting Schools and Sports Authorities

Our Team visited many schools and government sports authorities to introduce our games and permission for development program execution.

75th Independence Day Amrit Mahotsav

Celebrating the 75th Independence Day as Amrit Mahotsav, the skates rally organized under the aegis of RSFI and Bihar Skate Association was successfully organized. On this occasion, hundreds of small children along with their parents and coaches marched to the historic Martyrs' Memorial while skating with great enthusiasm and honoring the pride of the nation

3rd Ranking Championship Jodhpur and 36 National Games Gujarat :

At the 3rd Ranking Championship Jodhpur, our sectors performed exceptionally well and won four medals for the first time, and BSA presented SR boots to Nikhil in association with RSFI.

Our team also represented Bihar in the 36 National Games Gujarat with a lot of support from RSFI and Bihar Olympic Association .

Certificate Distribution Program of 1st Bihar State Ranking Championship 2022

The BSA premises were given by **Hon'ble MLA Dr. Sanjeev Chaurasia**. In this program, the Hon'ble MLA was very happy and congratulated our skaters with his interaction and expressed his desire to participate in the program organized by BSA even further. It was a matter of great honour and pride for our BSA .

1st Bihar State Skate Championship 2022

After the BSA was recognized, the first and foremost task for us was to bring back the image of Bihar to this sport. For this, we kept in touch with the coaches, parents and players and our goal was to include maximum participants in the first Bihar State Skate Championship. In making this effort successful, all the core members worked day and night and contacted the coach and went to various schools to get information about this championship and brought back the children who were skating or left the sport. Principals and teachers of various schools were very happy with this and started taking interest in this game. The result was that for the first time, the competition was concluded in a grand form with a record entry. Whoever saw this event did not tire of praising it. It was great to see around **500 kids playing together for the first time.**

Our core members took the reins of this event and we tried our best to ensure that there was no shortage from anywhere. First of all, we chose a big venue for this because the participants should not be lacking in any way and they feel that they are playing in a grand championship. We held several meetings for approval of the venue and continued to request the Commissioner of Kendriya Vidyalaya and the Principal of the school. And it was the result of our tireless efforts that they happily allowed our effort and succeeded in it.

The competition was **inaugurated by the chief guest Major General Vikas Agarwal and Principal of Kendriya Vidyalaya, Danapur Cantt Mohammad Shahnawaz Ahmad** by showing the flag. Both the guests addressed and encouraged the children. In this day-long competition, the skaters of the state showed their stamina and skill. In the evening, **Chief Guest Shri Jitendra Kumar Rai, Hon'ble Minister, Art, Culture and Youth Department, Bihar and local MLA Shri Ritlal Yadav saw the talent of the children and awarded them with medals.** He thanked all the members of the organizer Bihar Skate Association and praised them and said that for the first time in Bihar, such a grand event has been organized in skating and assured all possible help in this sport from the government in future. He also assured that the construction of a skating rink in Patna will start soon and for this, he also asked us to present a proposal.

Bihar State Skate Team Photography :

Hon'ble Minister, Art, Culture and Youth Department, Bihar, Shri Jitendra Kumar Rai also participated in a photo session with the children going to the National on our special request and boosted the morale of the players and coaches and gave them good wishes.

We kept in touch with RSFI and took a decision with our entire team by adopting full transparency in the selection of the race for children going to the national and everyone agreed in it. We selected the official, coach and physio of the team going to the national and sent them to Bengaluru and people were given responsibilities to deal with any race related problems of every child. The performance of the entire team was commendable and **the most proud for Bihar was that two children from here Saanvi Chauhan won silver medal in speed skating and one child won bronze medal in (other event) and brought Bihar to the medal tally.**

Saanvi Chauhan (silver)

Shivam Kumar (Bronze)

Honor and Certificate Distribution Ceremony:

Bihar Skate Association organized a "Felicitation and Certificate Distribution Ceremony" to felicitate players and coaches by **Shri Jitendra Kumar Rai ,Hon'ble Minister, Art, Culture and Youth Department, Bihar,** at Indoor Stadium, Patliputra Sports Complex, Kankarbagh, Patna.

World Olympic Day in 23rd June 23

We organized a mini marathon on the occasion of World Olympic Day in 23rd June 2023 with **around 300 skaters**. Apart from the mini marathon, the event also focused on environmental sustainability. A special tree plantation drive was organized at Marine Drive Golambar in Patna, in which saplings were planted. It symbolizes the skating community's commitment to protecting and preserving the environment for generations to come.

Initiated Skating rink for Roller Hockey

We started to make the roller hockey team and open it in a newly laid turf stadium and skating rink in Patna.

1st Bihar open District Championship 23-24

We supported to organised 1st Bihar open District Championship 2023-24 held in Muzafferpur on 19-20 August 2023 participated around 300 skaters.

Sports Day Celebrations with skaters in Eco park

Bihar Skate Association celebrated Sports Day and Inclusion of Roller Skates in School Games Bihar and SGFI and thanks given done to DG sports Mr. Ravindra Shankaran IPS sir for his gesture.

Bihar Team got total 6 medals

Our team represented in **1st open national ranking roller skating championship Pune, Maharastra** in September 2023. Our Bihar team bagged 6 Medals in the championship.

Sub: To include skating game in Bihar school game.

Respected sir,

Bihar Skate Association thanks Bihar State Sports Authority for the changing and growing nature of sports in Bihar. For the last few years, the trend of roller skating game has increased very effectively in Bihar and there has been a lot of awareness about this game among children. Bihar Skate Association is moving in the direction of successfully completing its one-year tenure, but being impressed by its efforts, Roller Federation of India recognized it in less than a year. We would like to inform that the Roller Skating Federation of India is the governing body of roller skate sports in India which was recognized by the Government of India in 1990 and later by the Indian Olympic Association. Roller skating is an increasingly popular sport that is a permanent medal event in the Asian Games as well as the Olympic Games. Roller Skating is a part of All India University Games, SGFI Nationals, CBSE Nationals.

We are proud to inform that two of our skaters represented the state of Bihar in the 36th National Games, Gujarat and performed very commendably. Two of our children won medals in the last National Skating Competition held in Bangalore in the month of December. We hope that some good and positive results will come out in the coming times as we are continuously working on it.

Sir, recently SGFI announced national games schedule and skating championship will be held in Ranchi, Jharkhand. This is an opportunity to our skaters to prove themselves and make our state proud.

We would like to request you to kindly add Roller Skating game in state game so our players can participate. It will be great support to our game and player.

Dear Sir,

We are writing to express my heartfelt gratitude for your unwavering dedication and sincere efforts towards the inclusion of Roller Skating Games in the sports list of the State Level School Games. Your prompt action and genuine enthusiasm for promoting this sport have not gone unnoticed, and we are truly thankful for your invaluable support.

The inclusion of Roller Skating Games in the State Level School Games list is a significant milestone for the sport and its enthusiasts in Bihar. This decision will not only provide a platform for young talent to showcase their skills but also foster a culture of physical fitness and sportsmanship among our youth. It is a testament to your vision and commitment to promoting a diverse range of sports in our state.

We understand the challenges that often come with introducing new sports to the mainstream, and your dedication to overcoming them has been truly inspiring. Your leadership and support have undoubtedly paved the way for a brighter future for roller skating in Bihar.

Once again, on behalf of the roller skating community and all sports enthusiasts in the state, I extend our heartfelt thanks to you, Sir.

We look forward to continued collaboration and support from Bihar State Sports Authority under your able guidance. If there are any ways in which we can contribute or assist in furthering the cause of roller skating in the state, please do not hesitate to reach out to us.

Thank you once again for your outstanding contributions to the world of sports, and we eagerly anticipate the success and growth of roller skating in Bihar under your leadership.

Warm regards,

Working as a unit.

The BSA team always emphasized the importance of organization and took into account the consensus and participation of all members before reaching any decision. If there was a difficulty in reaching a decision during ideological differences, then the voting system was used. Therefore, the work of the team has been moving forward without any interruption and differences. We kept sending mails to RSFI from time to time apprising them of the situation here. Our Secretary Mrs. Babita Srivastava took over the responsibility of giving information about all our work to RSFI or to keep in touch with the officer there and she also did the work of conveying the message of RSFI to us. As given to us by our secretary, the work has been executed on the basis of consensus and we have decided that it will continue to be done.

We have been regularly organising meetings between core members, coaches and parents to ensure that the work is executed in a planned manner. As a disciplined association, we recorded all our meetings in our minutes book and kept a record of every expenditure and income. Therefore, the democratic image of this union was maintained.

BSA Performance Chart: After the formation of BSA, with the tireless efforts of all the members, we coordinated with all the coaches of Bihar, the result of which shows 400 percent growth, which is just a message that there are limitless possibilities in Bihar.

IN 2025 it's around 1100 and more registered with us ...

Future Plans –

1. To ensure maximum participation of players in this game, we decided to go to all the schools of Bihar under a scheme to promote this game and arrange proper coaching for the children there. And we started it by visiting some schools in Patna, the result of which was very satisfactory.
2. We planned to go to all the districts or send representatives to inform the physical trainers and professors about the coach training program and increase the participation of children in this sport by giving them proper training.
3. We planned to prepare more coaches for RSFI's coach training program. For which we have kept in touch with coaches and coaches of all districts.
4. We have also planned to promote this game in the upcoming University Games.
5. For economically weaker children, we also planned to participate in their championships, skate choice and focus on their diet, and some children were also sponsored by the association.

6. In view of the inclusion of this sport in the National Games, we have planned to include more children in the future and are also continuing to talk to the state government on this subject.
7. There is a plan to maintain contact with the Sports Minister, Sports Authority and local administration from time to time so that we can imprint this game in the minds of all the people of the state.
8. We are committed to provide 200mt Skating banked track to our skater with the help of Bihar governments and its Authorities.

Thank you so much for your valuable time!
